Subject: Completion of MOU Requirements, Task # 3549, Canyon Fuel Company, Skyline Mine, Permit C/007/0005

Dear Mr. Sorenson:

In 2010, Canyon Fuel Company, the Utah Division of Oil, Gas and Mining and the Utah State Historical Preservation Office (SHPO) developed a Memorandum of Understanding (MOU) regarding the protection and mitigation requirements of the Winter Quarters Historical Site. The three parties met again on June 20, 2012 to discuss the completion of the mitigation.

Canyon Fuel Company had the historical booklet published in accordance with all guidelines established in the MOU. Canyon Fuel Company has now met all of the requirements of the MOU and the requirements for mitigation of the Winter Quarters Historical Site due to the ventilation facility construction.

If you have any questions, please feel free to call me at (801) 538-5325 or Ingrid Campbell at (801)-538-5318.

Sincerely,

Daron R. Haddock
Coal Program Manager
